Dear Don W Philippbar,

This letter is to inform you that the warranty period on your Dodge Ram Truck Engine Control Module (ECM) has been extended to lifetime coverage. This ECM extended warranty coverage applies to 2004-2005 2500/3500 5.9L Engine Dodge Ram Trucks with California Emissions.

We are extending the warranty period on your ECM because in some instances the software programming of your vehicle's ECM may fail to accurately report diagnostic system information that can result in a failure of certain state-mandated inspection and maintenance (I/M) tests. **If your vehicle is operating properly, there is nothing you are required to do.** If you are experiencing the conditions as described in this warranty extension, simply contact your dealer to have the repairs performed. Your dealer will reprogram the ECM to address this potential issue at no cost to you.

If you have already experienced this ECM concern and have paid to have it repaired, you may be eligible to receive a reimbursement. You may complete the enclosed Customer Reimbursement Claim Form and send your original receipts, invoices and/or repair order to the following address for reimbursement, your claim will be acted upon within 60 days of receipt:

Chrysler Customer Assistance Center
P.O. Box 21-8007
Auburn Hills, MI 48321-8007

If you have questions or need any assistance, please contact your dealer or the Chrysler Customer Assistance Center between the hours of 8:00 AM and 8:00 PM, EST, Monday through Friday or Saturday 9:00 AM to 5:00 PM, EST. They can be reached at 1-866-726-4636.

Please keep this letter with your vehicle's other warranty information for future reference if necessary. The warranty extension applies to the above components only; the other terms of your warranty remain the same.

Chrysler is taking this action to demonstrate its commitment to your continued satisfaction.
